

Thank you for supporting an entire class of children in the Gambia!

By sponsoring a class at the Sunrise Centre you will be helping up to thirty children or young people achieve their ambitions through education. Your generous support will be used to help pay for teacher salaries and training, classroom resources, and hardship funds for students. In the Gambia, a little goes a long way!

In return, you will receive regular updates and photos on the progress of your class throughout the year. You will also receive the Gambia Education and Teaching Support newsletter.
